### \*\*WHITE PINE

White Pine may be shipped into all states (and the District of Columbia) except Arizona, Colorado, Nevada, New Mexico, Utah, and California.

### LARGER TREES

Larger trees than those offered in this price list must be handled with a ball of earth around roots, which makes transportation charges excessive unless you live in Maine or New Hampshire. Outside those states, buy larger trees from your local nurseryman.

\*ON ALL FOUR SPECIAL OFFERS, add 25¢ for postage on each shipment west of Mississippi River or south of North Carolina and Tennessee. We are unable to make any changes in these Special Offers. If you desire some other assortment, use the regular price list above. Special Offers are shipped postpaid only if complete payment is sent with order.

### MINIMUM ORDERS

Because of the excessive cost of packing small orders, no order will be accepted for less than five trees, and no order for less than one dollar value. All orders must be in multiples of five trees of one kind and size.

### SHIPPING WEIGHTS AND TERMS

Cash with order, or shipped C.O.D. if one-half amount accompanies order (F.O.B. Fryeburg, Maine). Approximate shipping weights: 3 and 4 yr., once transplanted, average 10 lbs. per 100 trees; 5 yr., twice transplanted, average 30 lbs. per 100 trees; 6 yr., twice transplanted, average 35 to 50 lbs. per 100 trees.
